Samkit Minesh Shah

Mumbai, Maharashtra
shahsamkit3124@gmail.com | 9724933750 | DoB: 12/04/2003

Currently I am a Second Year Student persuing Information Technology at DJSCE. I am also a Coding Enthusiast, learning more about Coding Language like C, C++, Java, Python, etc and also brain storming Data Structures & Algorithm.

As far from the Hard Skills, in my free time I used to Educate juniors through my YouTube Channel "Concept Simplified-Samkit Shah". As a journey, "Concept Simplified" had achieved total 650k+ view in 1 year and it's still growing exponentially.
